

# SUBMIT A PROJECT

## You are project leader, and you want to submit it to the Foundation?

The first step is to fill in this file with the key elements of your approach. This is an essential step to check that your project meets the challenges of the Poclairn Corporate Foundation.

The Foundation's team studies and pre-selects the projects. If your project is eligible, a member of the team will contact you to discuss and get to know it better.
